PREFACE FROM THE COURT ADMINISTRATOR

September, 1989

TO: The Honorable Chief Justice and the Honorable Justices of the
Supreme Court of Pennsylvania and to the citizens of the Commonwealth

I am pleased to present this report of the activities of the Administrative Office of the Pennsylvania Courts, including synopses of the work of various advisory boards and committees of the Court, for calendar years 1987 and 1988.

Each of the advisory boards or committees, as is evident in the ensuing pages, has devoted considerable time and energy to pursuing the tasks set forth in their respective charges. Their work, which is neither glamorous nor rewarding in any pecuniary way, is nevertheless of inestimable importance to the judicial system. Time spent by members of these groups offers diverse counsel in areas of their specialization which could only be otherwise obtained through substantially larger and costly professional staffs.

The years just past have presented unparalleled challenges for Pennsylvania's courts, both from judicial and administrative standpoints. Judicially, caseload volume continued to increase. So, too, did the complexity of many of the cases on the dockets increase.

As an example of the increased complexity of cases, only a cursory examination of criminal and family court dockets demonstrates the overwhelming relationship between those cases and the nation's narcotics problems. Similarly, that connection to narcotics often suggests an interrelationship between cases on one docket or another. That is, a case found on the criminal docket may ultimately be a harbinger of a Family Court case, or vice versa.

Administratively, the AOPC has moved in several directions to address system-wide problems, including those of caseload management. For instance, the Department of Court Management has hired or reassigned several staff, each of whom now work specifically with court system components, such as the special courts, common pleas courts and prothonotaries and clerks of courts.

Along similar lines, the Supreme Court's Statewide Steering Committee on Court Automation continued to lay the groundwork for computerization of many judicial functions. Implementation of the first phase of that project, automating district justice offices, is fast approaching.

Of growing concern over the past year or so has been the ability of the funding mechanism established by the General Assembly in Act 64 of 1987 to adequately and predictably meet the minimum needs of a long-term automation project with fixed-price contracts, such as those required by the Judiciary's Statewide Automation Project. While the District Justice phase of the automation project is not necessarily threatened by funding deficiencies since a financing instrument has been negotiated with IBM, the fate of the projected Common Pleas Court phase of the overall project is directly tied to the availability of funds.

= = =

Even larger than that presented by implementation of Statewide Automation is the AOPC's challenge implicit in the decision of Pennsylvania's Supreme Court in County of Allegheny v. Commonwealth of Pennsylvania. Allegheny County contended that the current method of funding Pennsylvania's courts -- essentially a mixture of state and county funds, with counties responsible for the larger share -- violates the state Constitution's stipulation that the Judicial system be "*unified*." In its 1987 decision, the state Supreme Court agreed, ordering the state to assume sole responsibility for court funding.

Since the Court's decision, the AOPC has made several recommendations to the Executive and Legislative Branches regarding its implementation, including the submission of transitional budget requests encompassing statewide judicial funding. As the Court recognized, however, the issue is not insignificant in its ramifications, both fiscally and from an organizational standpoint. In this sense, the issue is not merely one of dollars, but also of genuine opportunity to enhance statewide Judicial management via greater emphasis on a truly *unified* system. Thus, our willingness to work together in pursuit of workable solutions remains sincere and firm.

= = =

This report is considerably abbreviated from past editions due to a decision made last year to separate the narrative portions of the earlier reports from the quantitative portions. The decision reflected a desire to publish the quantitative information both more quickly and inexpensively using limited desktop publishing capability acquired by the AOPC's Research Department.

Entitled "Caseload Statistics of the Unified Judicial System," the 1987 edition was sufficiently well received as a timely means of sharing comparative data on the state of the Judiciary's dockets that supplies were exhausted by the end of 1988. Reflecting the increased demands on the Research Department's limited staff, the 1988 edition remains in progress.

= = =

Finally, it bears repeating from time to time that the progress of the Administrative Office of Pennsylvania Courts is a function ultimately of both the quality and quantity of our staff. If we accomplish less than we would like, as we most assuredly do, our lack of accomplishments are much more a reflection of lack of quantity than quality. For all those who work so hard in the face of the former to achieve the latter, please know that you have my gratitude.

Respectfully submitted,

Nancy M. Sobolevitch

OVERVIEW OF THE PENNSYLVANIA JUDICIAL SYSTEM

A Brief History of the Courts of Pennsylvania

Prior to the State Constitution of 1776, there existed in Pennsylvania a collection of courts, some inherited from the rule of the Duke of York (1664 to 1673), some established by William Penn, and some--such as the Pennsylvania Supreme Court--created by Pennsylvania's Provincial Assembly. Although attempts were made from time to time to create a unified system which would define and organize the powers and jurisdiction of the several courts, these attempts were often nullified in England. It was not until the Pennsylvania Constitution of 1776, which established courts of sessions, courts of common pleas and orphans' courts in each county, that Pennsylvania saw the beginning of a statewide framework for the development of its judicial system.

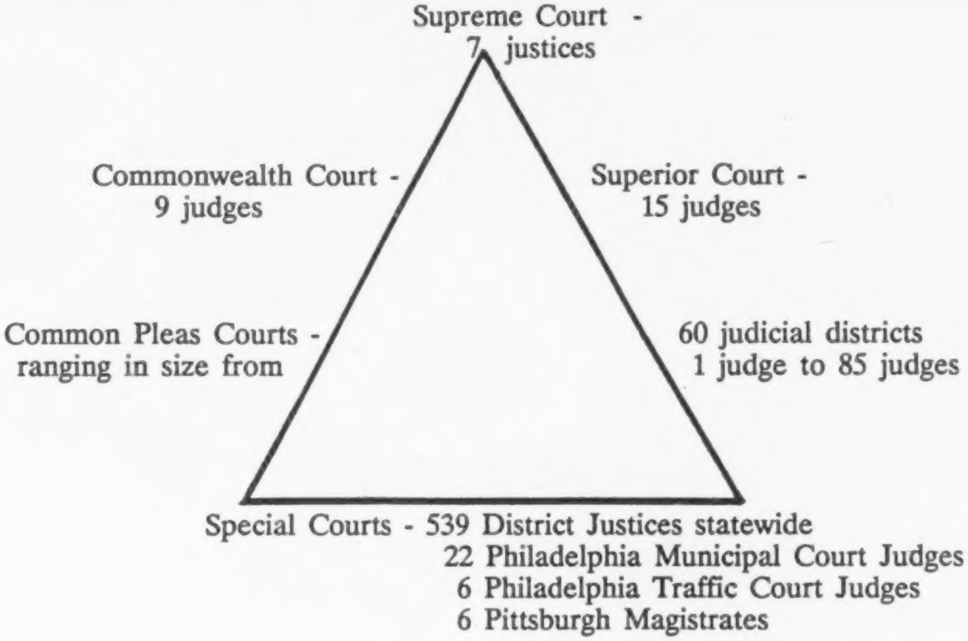
The Constitution of 1790 furthered this development, grouping the counties into judicial districts and providing president judges for the common pleas courts in those districts to ease the burden of the Supreme Court. While the Constitutions of 1838 and 1874 effected changes in the jurisdiction, tenure and election or appointment of members of the judiciary, the basic structure created by the Constitution of 1790 remained essentially unchanged. The Constitution of 1968, however, initiated many judicial reforms and reorganized the judiciary into a Unified Judicial System consisting of the Supreme, Superior and Commonwealth Courts, Courts of Common Pleas, Philadelphia Municipal Court, Pittsburgh Magistrates Court, Philadelphia Traffic Court, Justices of the Peace (popularly known as District Justices) and "such other courts as may be provided by law."

From both judicial and administrative perspectives, the Supreme Court is by Constitutional definition Pennsylvania's highest court. In matters of law, it is the Commonwealth's court of last resort. In matters of administration, the Supreme Court is responsible for maintaining a single, integrated judicial system. Thus, the Court has supervisory authority over all other courts across the state.

In 1981, with the support of the Legislature and approval of the electorate, the jurisdiction of the Superior Court was expanded resulting in a corresponding decrease in the mandated jurisdiction of the Supreme Court. Consequently, the Pennsylvania Supreme Court, like the United States Supreme Court, can now exercise discretion in accepting or rejecting most appeals, allowing it to devote greater attention to cases of far-reaching impact, as well as to its constitutional obligation to administer the entire judicial system.

The Structure of Pennsylvania's Unified Judicial System

The Pennsylvania Judiciary is organized in a hierarchial structure which may be visualized in the form of a pyramid:



Supreme Court - 7 justices
Commonwealth Court - 9 judges
Superior Court - 15 judges
Common Pleas Courts - 60 judicial districts ranging in size from 1 judge to 85 judges
Special Courts - 539 District Justices statewide
22 Philadelphia Municipal Court Judges
6 Philadelphia Traffic Court Judges
6 Pittsburgh Magistrates

Special Courts

At the "grass roots" level in the court system are the special courts. In counties other than Philadelphia, these courts are presided over by district justices, formerly known as justices of the peace. District justices have jurisdiction over summary criminal cases, landlord-tenant matters and other civil actions where the amount claimed does not exceed $4,000. They may also accept guilty pleas of misdemeanors of the third degree under certain circumstances. District justices also have jurisdiction to issue warrants and to hold arraignments and preliminary hearings in criminal cases.

Although district justices need not be lawyers, they must complete an educational course and pass a qualifying examination before taking office. They also must participate in one week of continuing education each year. These educational programs are administered by the Minor Judiciary Education Board.

In Philadelphia, the special courts are the Municipal Court and the Traffic Court. Municipal Court is the only special court of Pennsylvania which is a court of record. Its twenty-two judges, who must be lawyers, have jurisdiction over all criminal offenses--other than summary traffic offenses--which are punishable by a term of imprisonment not exceeding five years. Otherwise, the Municipal Court has the same jurisdiction as the district justices except for civil actions, where the amount claimed may not exceed $5,000. The President Judge of Municipal Court is elected for a five year term by other active Municipal Court Judges.

The Philadelphia Traffic Court is composed of six judges who need not be lawyers. Traffic Court Judges must, however, complete a certifying course and pass a qualifying examination, both of which are administered by the Minor Judiciary Education Board. Its jurisdiction covers all summary offenses under the Motor Vehicle Code and related city ordinances. The president judge of the Philadelphia Traffic Court is appointed by the Governor.

The city of Pittsburgh has six police magistrates in addition to the district justices who serve throughout Allegheny County. These magistrates, who need not be lawyers, may issue arrest warrants and preside at arraignments and preliminary hearings for criminal offenses occurring within the city. They also have jurisdiction over criminal cases brought by the city police for violations of city ordinances and other specified offenses. The police magistrates sit on the Pittsburgh Traffic Court, which has the same jurisdiction as the Philadelphia Traffic Court.

There are no jury trials in the special courts. However, appeals from special court judgments may be taken to Common Pleas Court where the case is heard de novo.

Common Pleas Courts

Common Pleas Courts are courts of general trial jurisdiction. They have original jurisdiction over all cases which are not exclusively assigned to another court. There is one Common Pleas Court for each of sixty judicial districts in the state and three hundred and forty-two authorized Common Pleas Judges. These districts generally coincide geographically with the counties, although seven of the districts are comprised of two counties.

President Judges of courts with seven or fewer judges are those judges in longest continuous service. In courts of eight or more judges, the judges select from their ranks a president judge, who serves in that capacity for five years.

Appellate Court System

There are two levels of appellate courts in Pennsylvania. The first consists of the intermediate appellate courts: the Superior Court with fifteen judges and the Commonwealth Court with nine. The Supreme Court, with seven justices, is Pennsylvania's court of last resort. As the oldest appellate court in the nation, Pennsylvania's Supreme Court predates the United States Supreme Court by sixty-seven years.

In general, appeals from the Common Pleas courts are taken to one of the two intermediate appellate courts, Commonwealth Court or Superior Court.

Commonwealth Court's *original* jurisdiction includes most civil actions against the Commonwealth, civil actions by the Commonwealth, and matters involving the Election Code. The Court's *appellate* jurisdiction encompasses appeals relative to decisions of administrative agencies and civil or criminal appeals for Common Pleas Courts in which the Commonwealth or administrative agencies are involved; interpretation of home rule charters, local ordinances or legislative acts governing local governments; and appeals from local administrative agencies. Certain matters which relate to non-profit corporations and eminent domain proceedings are also part of Commonwealth Court's appellate jurisdiction.

Superior Court has limited *original* jurisdiction and *appellate* jurisdiction in cases not within the specific statutory jurisdiction of another appellate court.

The **Supreme Court** has non-exclusive *original* jurisdiction in cases of habeas corpus, mandamus or prohibition to courts of inferior jurisdiction, and cases of quo warranto as to any officer of statewide jurisdiction.

The Supreme Court's *appellate* jurisdiction, exercised at the Court's discretion as previously noted, encompasses various types of cases heard as a matter of right, including appeals of cases originating in Commonwealth Court and review of death sentences.

The Supreme Court also has *exclusive* jurisdiction of appeals from the Legislative Reapportionment Commission, the Judicial Inquiry and Review Board, the Minor Judiciary Education Board, the Pennsylvania Board of Law Examiners, and the Disciplinary (Attorneys) Board of the Supreme Court.

Finally, the Court has *extraordinary* jurisdiction to assume jurisdiction of any case pending before a lower court involving an issue of immediate public importance.

Judicial Qualifications, Election, Tenure, Vacancies

In addition to certain basic requirements such as citizenship and residency, judges are subject to strict standards of conduct and may be removed, suspended or otherwise disciplined for misconduct in office. (Please refer to the report of the Judicial Inquiry and Review Board.) All Supreme Court justices and judges within the system are elected to ten-year terms, with the exception of judges of Philadelphia's Municipal and Traffic Courts and District Justices, who are elected to terms of six years, and judges of Pittsburgh Magistrates Court, who are appointed to four-year terms by the mayor. Vacancies may be filled by gubernatorial appointment, subject to Senate confirmation, until such time as the vacancy is filled by election.

The "merit retention" provision of Pennsylvania's Constitution allows justices of the Supreme Court and judges to run for reelection on a "yes-no" vote, without ballot reference to political affiliation. This provision was designed to remove judges from the pressures of the political arena once they begin their first term of office.

Mandatory retirement age for judges is seventy years, although retired judges may continue to serve as senior judges to ease court backlogs, with the approval of the Supreme Court.

As is true of president judges of all courts of seven or fewer judges, the Chief Justice of Pennsylvania attains that office by virtue of having the longest continuous service among the seven Supreme Court Justices.

Administrative Office of Pennsylvania Courts

Established in January 1969 following the Constitutional Convention of 1967-68, the Administrative Office of the Pennsylvania Courts (AOPC) is responsible for the "prompt and proper disposition of the business of the courts," as defined by Pennsylvania's Supreme Court in the Pennsylvania Rules of Judicial Administration. Rules 501 through 507 outline the Court Administrator's powers, tasks and responsibilities in carrying out the Supreme Court's Constitutionally-provided authority for supervision and administration of all courts and the minor judiciary.

Functions of the Administrative Office are carried out through the central office located in Philadelphia and a Harrisburg office, from which administrative/fiscal operations, legislative affairs and communications, data processing and the Judiciary's statewide automation project are directed.

As part of its supervisory, administrative and long-range planning duties, the AOPC endeavors to:

- review practices, procedures and efficiency of the System;
- develop recommendations for the Supreme Court regarding improvement of the System;
- represent the Judicial System before legislative bodies;
- examine administrative and business methods;
- collect statistical data;
- publish an annual report;
- examine the state of the dockets and make recommendations for the expedition of litigation;
- manage fiscal affairs including budget preparation, approval of disbursements and procurement of goods and services;
- supervise all administrative matters relating to offices engaged in clerical functions;
- maintain personnel records;
- conduct education programs for personnel of the System;
- receive comments and complaints from the public;
- provide legal services to System personnel.

Organizationally, the Administrative Office is divided into six operational units: Court Management, Research, Chief Counsel, Legislative Affairs\Communications, Statewide Automation\ Data Processing, and Administration.

Office of Court Management

The Court Management Office is the primary administrative link between the AOPC and the various court constituencies at all levels of the Unified Judicial System. As such, Court Management provides appropriate supervisory, liaison, analytical and consultative services to the Special and Trial Court systems, including the Minor Judiciary Education Board, and to Prothonotaries and Clerks of Courts across the state. For the Minor Judiciary Education Board, Court Management provides complete administrative and professional (teaching) staff for certification and continuing education courses for district justices and Philadelphia Bail Commissioners, as well as certification courses for Philadelphia Traffic Court judges and for Pittsburgh Magistrates who are not attorneys. Additionally, Court Management develops administrative initiatives with administrators of the Appellate Courts and serves as the AOPC's liaison with the National Center for State Courts'

Northeast Regional Office.

The Court Management Office is responsible for monitoring judicial regional assignment districts, essentially groupings of judicial districts, which exist in some parts of the state to assist each other in providing visiting judges to handle court backlogs and cases involving recusels; interfacing with the Domestic Relations Association of Pennsylvania and the Pennsylvania Department of Welfare; and developing working relationships with the many different components of the statewide court system.

Office of Research

The Administrative Office's Research Office analyzes and evaluates the operations of the Unified Judicial System's various components from both a policy and statistical point of view. During any given year, the Office conducts a variety of studies, ranging from case flow management reviews of individual trial courts to, in 1988, a statewide survey of county court expenditures and revenues.

Working in cooperation with the Criminal Procedural Rules Committee, staff concluded an extensive examination during 1986 and 1987 of criminal post-verdict practices in Pennsylvania. That study helped form the basis for recommending broad changes in the procedural rules governing trial court review of verdicts. The Criminal Procedural Rules Committee has submitted the recommendations to the bench and bar for comment and, in turn, to the Supreme Court for approval.

Each month data are collected from the district justice and trial courts on the number and type of new and disposed cases, and the inventory and age of pending information is reviewed, automated, and periodically verified through audits of the county dockets. The Administrative Office, typically through its Court Management unit, uses this information for many purposes, including the monitoring of county court operations consistent with its mandate under the Rules of Judicial Administration.

Within the Research Office, the Docket Transcript Section receives, reviews, and corrects data on all misdemeanor, felony, or escalating summary cases filed in the sixty judicial districts. The information is submitted both on paper forms and computer tapes. Extracts of the data are sent to the Pennsylvania State Police where individual criminal histories ("rap sheets") are compiled. The data base is also used for statistical research by the Administrative Office and other state agencies.

Finally, the Research Office is responsible for designing many of the forms used in the state court system. The development of new forms or the modification of existing forms requires extensive consultation with system personnel, especially the persons who use the forms on a daily basis.

Office of the Chief Counsel

Broadly stated, the Office of the Chief Counsel provides advice and counsel to the Court Administrator and to the other units of the Administrative Office while also engaging in a variety of administrative duties.

Specifically, representation of Unified Judicial System personnel -- including those of the various courts of the Commonwealth, the Disciplinary Board, the Judicial Inquiry and Review Board, and the Pennsylvania Board of Law Examiners – in litigation is provided by the Chief Counsel's staff. Actions involving Unified Judicial System personnel include suits filed in the federal district courts which raise various civil rights and constitutional issues. Typical state court proceedings involving personnel include requests for accelerated disposition of private suits, petitions for review of governmental actions and petitions to determine the rights and duties of public officials.

Of particular recent interest to the state judiciary is the Third Circuit opinion in Stern v. Nix, a challenge to appellant's disbarment. The case was unusual procedurally, in that the entire Third Circuit recused itself, and AOPC Chief Counsel argued the matter to a panel from the Second Circuit sitting by designation. The resulting opinion, affirming dismissal of the case for lack of subject matter jurisdiction, applies U.S. Supreme Court holdings limiting the authority of federal courts to review final state court judgments for the first time in this circuit.

Other significant activities involving Counsel staff were:

- actively participating in all phases of the Judiciary's statewide automation project;
- negotiating of leases for appellate court offices and chambers, and for offices of committees, boards and agencies of the Unified Judicial System;
- responding to a wide variety of queries, internal and external;
- processing assignments for senior judges and district justices.

Office of Legislative Affairs\Communications

Representation of the Administrative Office to the Executive and Legislative branches of state government and to the media in matters of budget and administration is conducted from the Administrative Office in Harrisburg. The Legislative Affairs\Communications Office monitors the progress of legislation in the General Assembly and, when appropriate, comments on the effect legislation may have on the fiscal and administrative operations of the Judicial System. Legislative Affairs\Communications also serves as a central point to which inquiries about the Judiciary may be directed and from which information about the system may be disseminated.

Statewide Automation Project\ Office of Data Processing

The Administrative Office's Data Processing staff presently fulfills vital roles both in day-to-day operations of the judicial system and in development of long-term projects to fully automate the various components and levels of the Unified Judicial System.

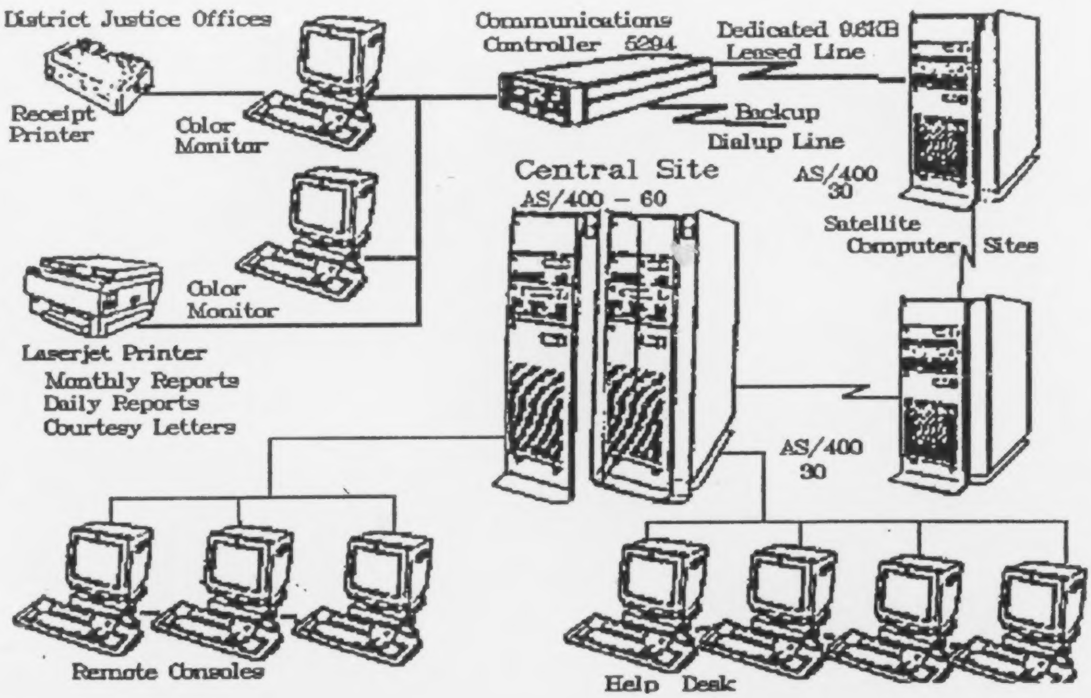
Day-to-day operations support the AOPC's Office of Administration in processing payrolls, accounting and budgeting functions and personnel systems, as well as supporting data processing needs of the Research Office and other units of the AOPC.

On the longer term, the Data Processing Office staffs the Supreme Court's Statewide Steering Committee on Court Automation. Chaired by Mr. Justice Stephen A. Zappala, the Steering Committee is the decision-making and oversight authority in a phased, multi-year project to fully computerize all levels of the Unified Judicial System from the Appellate Courts through Common Pleas Courts to the District Justice level.

After preparation and adoption of a needs assessment study and a master plan by the Steering Committee, it was determined that the overall project's first phase would be automation of the Judiciary's District Justice level. The decision reflected two facts: that as the "grassroots" level of the Judiciary most citizens have their initial contact with the judicial system in District Justice offices, and that many of those offices are the least automated of any of the Unified Judicial System's components.

Following a rigorous competitive bidding process in which an Implementation Team of District Justices played a crucial role, negotiations to automate the district justice system were successfully concluded by AOPC technical and legal staff with IBM Corporation in late 1988. A contract was formally signed in March, 1989.

When the new system is fully on-line in 1992, all management and tracking requirements for criminal, civil, summary non-traffic, and traffic cases will be computerized. Additionally, collection and disbursement management, case scheduling, statistical analysis and reporting, and communications will be significantly more manageable as part of the new system.



District Justice Automation...Step-by-Step Through the System

Nearly five hundred fifty district justice offices across Pennsylvania will be linked together in a distributed network of 31 IBM AS\400 computers, which in turn will be linked to an IBM AS\400-60 computer.

Office of Administration

The Office of Administration is responsible for the day-to-day operations of the AOPC, providing support and services to other units of the Administrative Office. Such services include the purchasing of furniture, equipment, goods and supplies for the AOPC; expense accounting, processing reimbursements and other expenditures; benefits counseling and administration; payroll administration for approximately 1600 employees; and preparation of an annual budget for those portions of the judiciary which are state funded. The Judiciary's budget for fiscal year 1989-90, funded by state appropriations, is $152.6 million.

In Philadelphia, Administration staff also:

- receive and docket certified copies of all local rules adopted by the counties and agencies of the judicial system, pursuant to Pa. R.J.A. 103(c), and handle the distribution and filing of those rules, so they are available for public inspection;

- handle correspondence and inquiries concerning registration of attorneys;

- handle the initial processing of appointments, separations, merit increases, and other personnel actions, in concert with the payroll division of the AOPC located in Harrisburg;

- initiate the annual employee evaluation process by disseminating evaluation instruments to appropriate management staff.

Judicial Services Division

The Judicial Services Division is responsible for planning, coordinating, administering and providing staff support for an extensive schedule of educational conferences, seminars and meetings of the Supreme Court, the Administrative Office and affiliated groups, such as the Conference of State Trial Judges, the President Judges-District Court Administrators Association, and the Special Court Judges Association. Through aggressive negotiation and detailed knowledge of Pennsylvania's hospitality industry, the Division is able to ensure that multi-day conferences proceed effectively under terms which are favorable to the Commonwealth.

The Division is also responsible for coordinating, developing and main- taining a computerized data bank of contact information for the Unified Judicial System's affiliated groups.

The Advisory Committee's principal function is to make recommendations to the Supreme Court for the updating of the Rules of Appellate Procedure in the light of experience, developing case law, and new legislation. Committee members and staff counsel also respond to many informal inquiries from lawyers, trial judges and trial court officials. More serious questions and suggestions are studied by the committee as a whole and frequently result in recommendations for changes in the rules.

The Court filled all existing vacancies during the summer of 1987.

The Committee's principal activity in 1987 involved the consideration and drafting of Recommendation No. 23, which was approved by the Supreme Court on December 30, 1987.

This Recommendation involved important changes in Rules 2113 and 2135 concerning reply briefs; Rule 311 concerning interlocutory appeals as of right in certain family law matters; and Rule 1731 concerning stays in some family law matters.

Other significant changes included in Recommendation No. 23 involve the procedure for utilization of appellant's statement of matters complained of on appeal under Rule 1925, and modification of Rules 127, 3307 and 3309 to extend, from seven to fourteen days, the time for answering certain applications filed in the appellate courts.

The committee also submitted to the Supreme Court's Procedural Rules Committee a suggestion that the rules of civil procedure be modified to provide that in civil actions at law the filing of post-trial motions be made optional rather than mandatory.

Finally in 1987, the committee received and began consideration of a suggestion that the rules be modified to eliminate the right of appeal from an order vacating, striking or opening a default judgment or a judgment of non-pros. Drafting Recommendation No. 24, which reflected the committee's consideration and was submitted to the Supreme Court for final approval on February 27, 1989, was the committee's principal activity for 1988.

As suggested, the primary changes effected by Recommendation No. 24 are to eliminate from Pa. R.A.P. 311 the right of appeal from an order opening, striking or vacating a judgment of default or non-pros. The vast majority of such appeals are futile because the appellate courts are most reluctant to overrule the trial courts' exercise of discretion in such cases. Under the amendment, the case will remain in the trial court for either settlement or trial as promptly as possible, without the delay involved in an appeal from the order opening, vacating or striking the judgment.

Additionally during 1988, the committee drafted and published for comment by Bench and Bar Recommendation No. 25, which addresses the nagging problems created by the present lack of definition of what is a "final order" which will trigger the right to appeal. Both the Superior Court and the Commonwealth Court, in addition to many appellate practitioners, have suggested that Rule 341 should be amended to clarify this situation and the committee believes that its proposal would accomplish that important objective.

Fiftieth Anniversary of the Committee

The year 1987 was the fiftieth anniversary of both the rule-making authority of the Supreme Court and the establishment of the Civil Procedural Rules Committee. In 1937, the General Assembly enacted legislation authorizing the Supreme Court to "prescribe by general rule the forms of actions, process, writs, pleadings, and motions, and the practice and procedure in civil actions at law and in equity for the courts of common pleas...." The same statute authorized the Court to appoint a "Procedural Rules Committee" to assist it in the promulgation and administration of the rules. The word "Civil" was added to the name of the committee twenty years later when the Court was empowered to promulgate rules of criminal procedure and establish the Criminal Procedural Rules Committee.

In commemoration of its fiftieth anniversary, the committee sponsored four seminars entitled "Civil Procedure in Pennsylvania: Past, Present and Future." The seminars were presented at the Annual Meeting of the Pennsylvania Bar Association in Pittsburgh, the Allegheny County Bar Association Bench-Bar Conference at Seven Springs, the Annual Meeting of the Pennsylvania Conference of State Trial Judges in Hershey and the Philadelphia Bar Association Bench-Bar Conference in Atlantic City, New Jersey.

The Civil Procedural Rules Committee held eight two-day meetings in 1987: five in Philadelphia, two in Pittsburgh and one in Easton. The seven-member Domestic Relations Section of the Civil Procedural Rules Committee held two meetings in 1987: one each in Philadelphia and Pittsburgh. Thereafter, on June 30, 1987, the Supreme Court of Pennsylvania designated the Domestic Relations Section a separate and independent committee. Honorable Nicholas A. Cipriani was named Chairman and Honorable R. Stanton Wettick, Jr., as Vice-Chairman. Responsibility for rules governing the family law actions now rests with the new Domestic Relations Committee.

During 1987, the terms of four Civil Procedural Rules Committee members expired: the Honorable Madaline Palladino, Vice Chairman, Herbert Fishbone of Easton, Richard L. Grossman of Norristown and Rod J. Pera of Harrisburg. These former members were not eligible for reappointment because they had served the maximum three three-year terms. Four new members were named to the committee: Robert J. Cindrich, Esq. of Pittsburgh, Charles E. Evans, Esq. of Pittsburgh, Robert A. Mazzoni, Esq. of Scranton and Norma S. Weaver, Esq. of Philadelphia. Ms. Weaver was appointed to fill the unexpired term of the Honorable Julian King of Philadelphia, who had resigned in 1986. The terms of Ms. Weaver, Donald E. Matusow, Esq. of Philadelphia, and the Honorable Silvestri Silvestri of Pittsburgh expired in 1987. However, all three were reappointed.

The Civil Procedural Rules Committee held six two-day meetings in 1988: two in Philadelphia, two in Pittsburgh, one in Harrisburg and one in Wilkes-Barre.

On April 29, 1988 the Supreme Court appointed the Honorable Domenic D. Jerome as Vice-Chairman. The position had been vacant since June 1987 when the term of the former Vice-Chairman, the Honorable Madaline Palladino, expired.

During 1988, David S. Shrager of Philadelphia resigned from membership on the committee. He was replaced by Edward B. McDaid of Philadelphia by Order dated November 21, 1988. The Supreme Court filled another vacancy on the same date with the appointment of Carmen P. Belefonte, Esquire, of Media, Delaware County. The rest of the membership of the committee remained unchanged.

1987 - 1988 Recommendations

During 1987 - 1988 the committee considered a variety of recommendations which are summarized in the following chart with a brief description thereafter.

Status of Recommendations
1987-1988

Recommendation Number	Subject	Status
67	Rescinding Foreign and Fraudulent Debtor's Attachment	Pending in the Supreme Court

Recommendation No. 75 proposes amendments to the Discovery Rules with respect to the discovery of opinions and the necessity of filing discovery material with the prothonotary.

Recommendation No. 76 contained several amendments relating to the filing of exceptions in actions for support and divorce and post-trial practice in actions for divorce.

Recommendation No. 77 resulted in the amendment of Rule 239 to require that local rules be numbered to correspond to the statewide rules which they implement.

Recommendation No. 78 remains pending with the Supreme Court and proposes amendments relating to the prompt disposition of actions for custody of minor children and termination of parental rights.

Recommendation No. 79 proposes to amend Rule 227.1 governing post-trial practice to provide that a motion for post-trial relief may not be filed to the decision of the court in a statutory appeal. Also, two notes are to be added to Rule 227.1 clarifying the rule but not affecting the procedure.

Recommendation No. 80 proposed the addition of a notice to the defendent in a divorce action under Section 201(d) (1) (1) of the Divorce Code prior to transmittal of the record for entry of the final divorce decree. The amendment was suggested by the Superior Court in Crookes v. Crookes, 346 Pa. Super. 315, 499 A.2d 626 (1985).

Recommendation No. 81 proposes the revision of a number of rules governing actions for support as necessitated by the enactment of both the Federal Child Support Enforcement Act of 1984 and Pennsylvania Act 1986-66.

Recommendation No. 84 proposes to consolidate into new Chapter 500 all rules relating to venue. The new chapter would eliminate repetitive rules and make uniform the venue provisions for all types of parties, including the Commonwealth and political subdivisions.

Recommendation No. 85, also effective January 1, 1989, revised Rule 405 governing the return of service to require the sheriff to give notice if service has or has not been made.

Recommendation No. 86, effective November 7, 1988, revised Rule 238 governing damages for delay in light of Craig v. Magee Memorial Rehabilitation Center, 512 Pa. 60, 515 A.2d 1350 (1986), in which the Supreme Court of Pennsylvania suspended the mandatory provisions of the rule. The revised rule contains several innovations to achieve greater fairness.

1987-88 Continuing Responsibilities

The Judicial Code and the Judiciary Act Repealer Act (JARA) have provided the committee with the basis for much of its work since 1978 and continue to do so. In addition, the committee's 1988 agenda included such topics as motion practice, post-trial practice, relief from judgments, partition of real and personal property, juries and jurors, trial practice and appeals from local administrative agencies.

In addition to the four "anniversary" seminars previously mentioned, the committee continued to furnish assistance to the Supreme Court and to act as a clearinghouse for numerous amendments suggested by members of the bench and bar. The Chairman and Executive Director answered countless inquiries regarding the Rules of Civil Procedure from local courts and attorneys and from courts and attorneys in sister states. The staff of the committee participated in numerous programs of the Pennsylvania Bar Association and various local bar associations and spoke to other groups interested in the Rules of Civil Procedure.

The Domestic Relations Committee was established by Order of the Supreme Court dated June 30, 1987. The Order designated as members the seven judges and lawyers who comprised the former Domestic Relations Section of the Civil Procedural Rules Committee appointed on December 27, 1984. The Honorable Nicholas A. Cipriani, Administrative Judge of the Family Court Division of the Court of Common Pleas of Philadelphia, was named as Chairman. The Honorable R. Stanton Wettick, Jr., Administrative Judge of the Family Court Division of the Court of Common Pleas of Allegheny County, was appointed Vice Chairman.

The committee held three meetings in 1987. The first two meetings, in March and June, were held under the designation of the Domestic Relations Section of the Civil Procedural Rules Committee. The third meeting was held in Pittsburgh in December under the designation of the new Domestic Relations Committee.

Presently, the procedural rules governing family law actions appear as chapters within the Rules of Civil Procedure. The Domestic Relations Committee is responsible for the maintenance and revision of the following rules of civil procedure: Rule 1901 et seq. governing actions for protection from abuse, Rule 1910.1 et seq. governing actions for support, Rule 1915.1 et seq. governing actions for custody, partial custody and visitation of minor children and Rule 1920.1 et seq. governing actions for divorce or annulment of marriage.

During 1986 - 1987, the Domestic Relations Section of the Civil Procedural Rules Committee issued for comment by the Bench and Bar Recommendations No. 76, 78, 80, 81, and 82. The following chart is a summarization of those recommendations which are briefly detailed thereafter.

Recommendation No. 4 proposed to amend Support Rule 1910.16 to allocate support awarded to a spouse and child, in order to give maximum benefit to the parties in view of procedural and tax considerations.

Continuing Responsibilities

Despite the near total lack of funding, the work of the Domestic Relations Committee continued in the areas of divorce, support, custody and protection from abuse, during this report period. Much of the work of the committee resulted from legislation enacted in 1988: amendments to the Divorce Code (Act No. 1988-13), amendments to the Protection from Abuse Act (Act No. 1988-56), and amendments to the support law, (Act No. 1988-35).

The Criminal Procedural Rules Committee serves as one of the advisory groups to the Supreme Court. In this capacity, the committee conducts an ongoing review of the Rules of Criminal Procedure generally with an eye toward streamlining and improving the rules. The committee's work during 1987 and 1988, as in the past, was in response to its review mandate, as well as to court opinions, or to changes in legislation. The committee also studies procedural areas suggested by the committee members, its staff, and interested members of the Bench and Bar.

In 1987, the committee continued its extensive work on the study of Pennsylvania's post-verdict procedures. This study was completed in 1988 and the committee finalized its recommendation to the Court for inter alia, optional post-sentence motions and immediate sentencing. Additionally, the committee worked in conjunction with the Court and the Administrative Office of the Pennsylvania Courts to identify and resolve problems within the criminal justice system.

The committee also continued through 1987 to monitor and clarify the new summary case rules which took effect in July 1986. By monitoring summary criminal cases, the committee was able to complete, in 1988, a package of summary case rule recommendations.

Also, during 1987, the committee wrapped up its study and general review of the procedural aspects of the functioning of the jury trial system in criminal cases, which culminated in several rule proposals to improve this important aspect of procedure. As in past years, the committee, the AOPC, and other Court committees also coordinated efforts on several procedural matters to ensure unifomity and consistency on various interrelated procedural rule and administrative matters.

The committee continued its practice of publishing explanatory Reports, which highlight the committee's considerations for new criminal rule and amendment proposals, in the Pennsylvania Bulletin and Atlantic Reporter before making a final recommendation to the Court. These published Reports represent public history of the rules, an important resource for documenting their purpose, intent and meaning. Moreover, to simplify matters for the Bench, Bar and public, the committee prepares a calendar of the effective dates of the criminal rule changes for publication in various journals and newsletters when the Court adopts a rule proposal.

The following matters were the subjects of new rules and rule amendments, adopted by the Court on recommendation of the committee and effective in 1987:

- Clarification that local rules' numbers are to be keyed to the numbers of the general rules to which the local rules correspond.

- Clarification of the summary case guilty plea procedures when a defendant appears personally to pay the fine and costs.

- Authorization of the presence during a session of an investigating grand jury of certain additional and specified individuals by order of the supervising judge.

The Court in 1987 modified the prompt trial procedures by expanding the time period to 365 days and providing for nominal bail when a defendant is incarcerated beyond the 180-day period. The Court also established procedures for immediate sentencing in mandatory sentence cases.

The committee in 1987 submitted the following matters to the Court recommending final action:

- The general revision of the Rules of Criminal Procedure which govern accelerated rehabilitative disposition (ARD).
- New procedures for a summary case ARD.
- Clarification of the time for trial or retrial following a remand from an appellate court.
- Establishing a uniform time for trial following a termination order in ARD cases.
- Clarification of the procedures for preservation of testimony in criminal cases, and new procedures for using videotape recordings to preserve testimony.

In addition, the committee completed work on and published in 1987 two other proposals which were submitted to the Court in 1988. These proposals cover the following subjects:

- New procedures for use of tape-recorded jury instructions during jury deliberations.
- Establishing a uniform sentencing slip for use at the sentencing stage of a death penalty case.
- New procedures for the attorney for the Commonwealth to give notice of aggravating circumstances in death penalty cases.
- Allowing the defense to argue last in the closing arguments at the sentencing stage of a death penalty case.

In addition, the committee submitted, in 1988, the following matters to the Court, recommending final action:

- Clarification of miscellaneous procedures affecting present practice in magisterial district courts and Philadelphia Municipal Court to ensure the continued smooth and efficient handling of cases before the minor judiciary.
- New procedures for Pennsylvania's post-verdict practice making post-sentence motions optional, providing for immediate sentencing, and eliminating post sentence motions in summary case appeals.
- Clarification of miscellaneous procedures related to trials and sentencing in court cases.
- New procedures for post-conviction collateral relief.

First appointed by Chief Justice John C. Bell, Jr. in 1968, the Committee For Proposed Standard Jury Instructions was charged with the responsibility of preparing proposed standard jury instructions for use in Pennsylvania. In beginning its work, the committee was able to draw from the experience of the majority of State and Federal Courts which had previously adopted standard or pattern jury instructions. The committee recognized at an early stage that standard jury instructions had proved to be a valuable aid to the administration of justice in these jurisdictions.

Under the leadership of its Chairman, George J. Barco, the committee completed many years of hard work with the publication of the Criminal Jury Instructions in 1979 and the Civil Instructions in 1981. Today the committee, through its subcommittees, is responsible for reviewing the Criminal and Civil proposed jury instructions, in light of new legislation and appellate court decisions. The Civil and Criminal Jury Instructions are published by the Pennsylvania Bar Institute which has provided all of the funding for this project since 1979. These funds are derived through the sale of the suggested standard instructions.

In developing supplements for the civil and criminal instructions, the subcommittees make every effort to ensure that the instructions are useful to judges and lawyers and at the same time comprehensible to jurors. To assist jurors in their understanding of the principles of law the language of each instruction is reviewed by the committee's Socio-Legal Subcommittee chaired by Judge Robert L. Walker. The Socio-Legal Subcommittee is guided in its work by Joseph J. O'Mara, Ph.D.

In 1984, the Civil Instructions Subcommittee published the first supplement to the Civil Jury Instructions. Since that time, Subcommittee Chairman James E. Beasley and Subcommittee Reporter Lee C. Swartz have been researching and drafting revised and new jury instructions. Following approval by the subcommittee, it is expected that new instructions will be published in 1989 as the second supplement to the Civil Instructions.

The Criminal Instruction Subcommittee is chaired by Judge Loran L. Lewis. The fourth supplement to the Criminal Jury Instructions was published in 1985 and work for the fifth supplement was continued under the direction of Professor Arthur A. Murphy, the Reporter to the Subcommittee, with final publication in 1988. Research for the sixth supplement to the Criminal Instructions continues and publication is expected in 1989.

Comments and suggestions for revisions to the Standard Jury Instructions are of great assistance to the Reporters and Subcommittee members in their ongoing efforts to ensure the instructions reflect the current Pennsylvania law. Address comments to: Roger B. Meilton, Esq., Executive Director, Pennsylvania Bar Institute, P.O. Box 1027, 104 South Street, Harrisburg, Pennsylvania 17108.

Disciplinary Board of the Supreme Court of Pennsylvania

11th Floor
Commerce Building
300 North Second Street
Harrisburg, PA 17101

Since its creation in November 1972, the Disciplinary Board has been dedicated to the interest of the Bar and the Supreme Court of Pennsylvania in maintaining a high standard of consistent service to Pennsylvania lawyers, their clients, and to the public in general.

Initial investigation of the circumstances upon which a complaint is filed is conducted by a member of the Disciplinary Board's staff, the Office of Disciplinary Counsel, in one of the board's four district offices. If probable cause for discipline is found by the Office of Disciplinary Counsel, a report is made by an Assistant Disciplinary Counsel to a Reviewing Member of a Hearing Committee of the Disciplinary Board. The Reviewing Member reviews the report and determines initially what further action, if any, should be taken. If the Reviewing Member, on recommendation of Disciplinary Counsel, finds probable cause for discipline, the matter is referred to Disciplinary Counsel for either prosecution of formal charges before a Hearing Committee or the administration to the lawyer found at fault of an Informal Admonition by Disciplinary Counsel or a Private Reprimand by the board.

If a disciplinary hearing is deemed appropriate the hearing is held before a three-member Hearing Committee of the district in which the lawyer practices. The Hearing Committee's decision and recommendation is made by written report to the Disciplinary Board. The board reviews the report and may decide that discipline should be imposed or is unwarranted. Informal (private) admonition and private reprimand may be imposed by the board itself. The board may recommend discipline in the form of public censure, suspension or disbarment, but such discipline can only be ordered by the Supreme Court of Pennsylvania.

A copy of the board's brochure, "Information About Complaint Procedures and Discipline of Lawyers," provides additional detail regarding the discipline process. Copies may be obtained by writing: Disciplinary Board of the Supreme Court of Pennsylvania, 11th Floor, Commerce Building, 300 North Second Street, Harrisburg, Pennsylvania 17101.

While the number of Hearing Committee members remained constant from 1980 to 1988 at one hundred and eight (twelve committees each in District I (Philadelphia); and District IV (Western Pennsylvania); six committees each in Districts II and III), the overall work of these committees has increased.

The number of complaints lodged and disposed from 1986 through 1988 was:

	1986	1987	1988
Complaints Lodged	2909	3074	3333
Complaints Disposed		3110	3234

At the commencement of 1988, inventory of active complaints was 1,074, with 1,174 active complaints remaining at year's end. Of that total, 142 cases were in various stages of final proceedings, with action expected to commence for 18 more.

With the increased tempo of disciplinary action during the preceding years resulting in suspensions of various lengths and disbarments, the number of reinstatement proceedings increased significantly in both 1987 and 1988. Not surprisingly, the investigation and hearings incident to considering petitions for reinstatement presented an additional burden for all involved in the disciplinary process.

The Disciplinary Board held 8 executive meetings during 1987 and considered 40 matters before it for adjudication. Of this number, 27 were referred to the Supreme Court of Pennsylvania for final decision. In addition, resignations by respondents which resulted in 15 disbarments on consent and 21 petitions for reinstatement to active status, after being inactive three or more years with no discipline being involved, were forwarded to the Supreme Court. In addition to the regular scheduled meetings, individual Board members heard oral arguments presented before them in five cases. During 1987, discipline was imposed in 162 cases. This figure does not include nine interim suspensions (Criminal Convictions - Rule 214).

In 1988, the board held 7 executive meetings during the year and considered 35 matters before it for adjudication. Of this number, 31 were referred to the Supreme Court of Pennsylvania for final decision. In addition, resignations by respondents which resulted in 25 disbarments on consent and 24 petitions for reinstatement to active status, after being inactive three or more years with no discipline being involved, were forwarded to the Supreme Court. In addition to the regular scheduled meetings, individual board members heard oral arguments presented before them in ten cases. During 1988, discipline was imposed in 179 cases. This figure does not include 17 interim suspensions (Criminal Convictions - Rule 214). A tabulation of the disciplinary action taken since the year 1973 is set forth on the following page.

The Disciplinary Board devoted considerable time and effort during 1987 and 1988 in reviewing the ABA Model Rules of Professional Conduct at the direction of the Court. This has resulted in the Supreme Court adopting new Rules of Professional Conduct which became effective April 1, 1988, at which time the Rules of Professional Conduct superseded the present Code of Professional Responsibility. The new Rules impose important new duties on every attorney admitted to practice in the Commonwealth.

During 1988, as part of its ongoing desire to improve the system, the board devoted considerable time and effort to review of the Pennsylvania Rules of Disciplinary Enforcement, the Disciplinary Board Rules and the Rules of Professional Conduct resulting in recent amendments adopted by the Supreme Court.

As prescribed by Pennsylvania's Constitution, the Judicial Inquiry and Review Board (JIRB) consists of nine members as follows: "(a)...three judges of the courts of common pleas from different judicial districts and two judges of the Superior Court, all of whom shall be selected by the Supreme Court; and two non-judge members of the bar of the Supreme Court and two non-lawyer electors, all of whom shall be selected by the Governor."

"(b) The members shall serve for terms of four years, provided that a member, rather than his successor, shall continue to participate in any hearing in progress at the end of his term. A vacancy on the board shall be filled by the respective appointing authority for the balance of the term. The respective appointing authority may remove a member only for cause. No member shall serve more than four consecutive years; he may be reappointed after a lapse of one year. Annually the members of the board shall elect a chairman. The board shall act only with the concurrence of a majority of its members."

The Constitution prescribes the function of the Judicial Inquiry and Review Board and the procedures regarding judicial discipline to be, in part, as follows:

"(d) Under the procedure prescribed herein, any justice or judge may be suspended, removed from office or otherwise disciplined for violation of section seventeen of this article, misconduct in office, neglect of duty, failure to perform his duties, or conduct which prejudices the proper administration of justice or brings the judicial office into disrepute, and may be retired for disability seriously interfering with the performance of his duties."

"(e) The board shall keep informed as to matters relating to grounds for suspension, removal, discipline, or compulsory retirement of justices or judges. It shall receive complaints or reports, formal or informal, from any source pertaining to such matters, and shall make such preliminary investigations as it deems necessary."

"(f) The board, after such investigation, may order a hearing concerning the suspension, removal, discipline or compulsory retirement of a justice or judge...

"(g) If, after the hearing, the board finds good cause therefor, it shall recommend to the Supreme Court the suspension, removal, discipline or compulsory retirement of the justice or judge."

"(h) The Supreme Court shall review the record of the board's proceedings on the law and facts and may permit the introduction of additional evidence. It shall order suspension, removal, discipline or compulsory retirement, or wholly reject the recommendation, as it finds just and proper....All papers filed with and proceedings before the board shall be confidential but upon being filed by the board in the Supreme Court, the record shall lose its confidential character. The filing of papers with and the giving of testimony before the board shall be privileged."

At the beginning of 1987, 80 matters were pending before the Board and during the year an additional 348 complaints were received for a total of 428 matters before the Board during the year 1987. By year's end, approximately 145 matters were pending.

Of those matters resolved, 14 were referred to the Supreme Court with recommendations for formal discipline, 11 admonishments were issued by the Board itself and 3 warnings were issued. Twenty-seven matters were dismissed following investigations because they were unfounded or because there was no evidence of misconduct and 190 were rejected for the same reasons or because they were frivolous or were a matter for appeal. Such rejections followed a consideration of the information provided by the complaint and/or a preliminary investigation conducted by the staff.

Also during 1987 the Board issued 35 letters of inquiry to respondent judges or district justices pursuant to Rule 1 (b) of its Rules of Procedure. Fourteen sets of formal charges were authorized by the Board and 22 formal hearings were conducted. Additionally, 11 matters were administratively closed and 4 matters were closed following the resignation or death of the subject of the inquiry.

At the beginning of 1988, 145 matters were pending before the Board, and during the year an additional 245 complaints were received for a total of 389 matters before the Board during the year 1988. At the end of the year approximately 162 matters were pending.

Four matters were referred to the Supreme Court with recommendations for formal discipline, 7 admonishments were issued by the Board itself and one warning was issued. Thirteen of the 14 recommendations that had been referred by the Board to the Supreme Court in 1987 were acted upon by the Court in 1988 resulting in the removal of 11 judges and the suspension of 2 judges for the remainder of their terms.

The Board dismissed 12 matters following formal investigation as either unfounded or because there was no evidence of misconduct, and 198 were rejected following preliminary investigation because they were frivolous or were otherwise without merit.

Also during 1988 the Board issued 34 letters of inquiry to respondent judges or district justices pursuant to Rule 1 (b) of its Rules of Procedure. Five sets of formal charges were authorized by the Board and 5 formal hearings were conducted. Additionally, 11 matters were administratively closed and 4 matters were closed following the resignation or death of the subject of the inquiry.

The Minor Judiciary Education Board is responsible for the instruction and certification of individuals aspiring to the Office of District Justice, Philadelphia Traffic Court Judge, and Philadelphia Bail Commissioners. In addition, the Board conducts continuing education for District Justices and Philadelphia Bail Commissioners. The board approves the curriculum, appoints the instructors, reviews course content and instructor evaluation, reviews all tests, and issues certificates to successful applicants.

During 1987, 132 individuals were tested in the certifying course of instruction. Ninety-one passed and 41 failed the examination. Subjects in the four-week course were Criminal Law and Procedure, Civil Law and Procedure, Rules of Evidence, Judicial Ethics, Human Behavior, Motor Vehicle Law, Management Techniques and Administration, and the Pennsylvania Drug, Device and Cosmetic Act.

During 1988, the approved subjects for the four week certifying course included Criminal Law and Procedure, Civil Law and Procedure, Rules of Evidence, Judicial Ethics, Human Behavior, Motor Vehicle Law, District Justice Office and Clerical Procedures Manual, Arrest\Search and Seizure, and the Pennsylvania Drug and Device Act. Of the 97 individuals tested in 1988, 70 succesfully passed the examination.

Since there were no vacancies in the Philadelphia Traffic Court nor any vacant Bail Commissioner positions in 1987, there was no necessity to conduct certifying courses for Traffic Court Judges or Bail Commissioners. One person was certified as a Philadelphia Bail Commissioner in 1988 after successfully completing a two-week course consisting of the following subjects: Philadelphia Municipal Court Rules, Criminal Law and Procedure, Judicial Ethics, Arrest\Search and Seizure, Rules of Evidence and the Drug Act.

The board did conduct a one-week, mandatory continuing education course for Philadelphia Bail Commissioners for both years. All six Philadelphia Bail Commissioners completed both years' course of instruction.

Although two vacancies existed on the Philadelphia Traffic Court in 1988, there were no applicants for a specially-approved course of instruction designed to certify. The course was advertised and promulgated to the candidates.

Similarly, continuing education of all of the Commonwealth's district justices is mandated by law. Each year 13 weeks of 32 hours of continuing legal education were scheduled. In 1987, the classes consisted of a Review and Update of Civil and Criminal Procedure, Crimes Code, Motor Vehicle Code, and Office Procedures and Management Techniques. Five hundred twenty-nine district justices completed the program. Twenty-five senior district justices and 9 county court administrators also attended classes.

In 1988, the following courses made up the 32 course hours: Review and Update of Civil and Criminal Procedure, Crimes Code, Motor Vehicle Code, Judicial Ethics, and Violence Against Children. The courses were attended by 539 district justices, 25 senior district justices, 7 county court administrators, and three staff members of the Administrative Office of Pennsylvania Courts.

Also during 1987, the Minor Judiciary Education Board assisted the Pennsylvania Association of Administrators' of Special Courts in planning and funding a four-day educational seminar of special court administrators. (Special court administrators are the counterparts in courts of initial jurisdiction of District Court Administrators of the Courts of Common Pleas). There were 60 participants.

In addition, the board in cooperation with the Administrative Office of Pennsylvania Courts conducted a three-day seminar on the District Justice Clerical Office Procedures Manual for the new Monroe County district justices and their staffs.

The board provided facilities and staff assistance for the following:

- Reviewing proposals for the implementation of the district justice automation system for the statewide automation committee.
- Reviewing the District Justice Clerical Office Procedures Manual.
- Developing model constable legislation for Pennsylvania.
- Reviewing the automated central collections program for Philadelphia Traffic Court.
- Conducting a management study of the Dauphin County district justice system.

In 1988, additional activities of the board included the following:

a) Appointed and funded a committee to review the courses of instruction conducted at its school. The review included the qualifying and continuing education courses for district justices and the courses for traffic court judges and bail commissioners of Philadelphia. The committee presented a report to the Minor Judiciary Education Board.

b) Produced a criminal and civil update reference manual which was distributed to all district justices.

c) Participated in the planning of the subjects for discussion at the conference of the Special Court Judges' Association.

d) Participated in the committee for the implementation of the statewide computer system.

e) Participated in the planning of education for constables in the state by sending a delegate to the Constables Association meeting.

The Pennsylvania Board of Law Examiners consists of five members of the bar of this Commonwealth who serve regular terms of five years each. Primarily, the board is empowered to "recommend the admission of persons to the bar and the practice of law." Pa. B.A.R. 104(c)(3). In so doing, the board reviews applications for admission from attorneys licensed in reciprocal states, administers bar examinations twice each year to recent law school graduates and persons admitted to the practice of law in foreign nations, and holds formal hearings during which the character and general qualifications of those seeking admission are determined.

Given in February and July of each year, bar examinations are two days in length, the first day being the essay examination and the second day being the multi-state bar examination (MBE). Summary statistics for bar examinations from 1986 through 1988 are as follows:

Bar Exam Date	Number Sitting	Number Passing	Percent Passing
Feb. 1986	891	589	66.10
July 1986	2768	2252	81.36
Feb. 1987	1055	683	64.86
July 1987	2860	2325	81.29
Feb. 1988	1048	678	64.88
July 1988	2733	2182	79.96

In 1987, the Board also approved the applications of 118 out-of-state attorneys for admission to the bar on motion. During 1988, 160 were approved. The balance of the applications were for the July 1988 and February 1989 examinations. Application revenues for 1988 totaled $735,005.

1987 Board Meetings

Eight hearings were conducted for applicants seeking permission to sit for the bar examination where questions had been raised as to their character. After the hearings, six applicants were granted permission to sit and two applicants were denied permission to sit.

There were five appeals filed with the Supreme Court of Pennsylvania from decisions of the board. The issues raised were: failure to meet the character standards to sit for the bar examination; failure to meet the fitness requirements to sit for the bar examination; failure to meet the educational requirements to sit for the bar examination; request for re-grading of an applicant's bar examination; and failure to meet the five-year practice requirement for admission on motion. Three petitions were denied, one was dismissed as moot and one petition was approved by the Court.

The National Conference of Bar Examiners is the organization which develops and grades the multi-state bar examination, and generally coordinates the efforts of all jurisdictions in admission of attorneys to the respective bars. Through the years, members and staff of the board have been active in various aspects of the conference's work. Board Chairman Justin Johnson has served on the conference's Board of Managers for a number of years, while others have participated on several working committees. These activities give Pennsylvania nationwide participation in the examination and admission process.

Because of testimony during the Iran Contra hearings, the Pennsylvania bar examination received a great deal of news coverage in 1987. Articles appeared in numerous publications, including The Philadelphia Inquirer, The Pittsburgh Press, The Patriot News, The Washington Lawyer, and the ABA Bar Leader.

The articles addressed the degree of difficulty of the Pennsylvania bar examination, our admission process and the tremendous influx of applicants from the District of Columbia, Maryland and Virginia area. In addressing the issues, the Board pointed out that, based on national statistics for 1986, Pennsylvania was 25th out of 51 jurisdictions in its overall passing percentage.

It was also noted that Pennsylvania only permits graduates of ABA approved law schools to sit for the bar examination, does not accept MBE scores from other jurisdictions and requires all unsuccessful applicants to re-sit for the entire bar examination. The influx of District of Columbia area applicants is a direct result of a District of Columbia admission rule which permits their applicants to take another jurisdiction's bar examination and thereby gain admission to the District of Columbia bar without further examination. The board has emphatically stated that not only is the Pennsylvania bar examination fair, but the board has been so informed by testing experts. The purpose of the Pennsylvania bar examination is to determine basic competence to practice law and the board strives to achieve that goal.

1988 Board Meetings

The board met nine times during 1988 to determine the character and qualifications of applicants, review proposed essay questions and analyses, approve examination results and set policy. Hearings were held in cases in which applicants' character or qualifications were questioned. Of those whose applications for admission were denied by the board, three filed petitions for review in the Supreme Court. In all three cases, the decisions of the board were affirmed by the Court.

Pennsylvania was one of six Jurisdictions electing to administer the Multistate Essay Examination (M.E.E.) in July 1988, the first time it was offered. This examination marked the beginning of a trial period in the Commonwealth during which the M.E.E. was administered in conjunction with the Pennsylvania essay exam. On the first day of the July exam, those sitting were given four Pennsylvania essay questions in the morning and six M.E.E. essay questions in the afternoon session. The multiple choice test is given on the second day of Pennsylvania's bar examination.

Consistent with the board's obligation to ensure that the standards expected to be observed by members of Pennsylvania's bar Commonwealth are maintained, the Vice-Chairman, John W. English, Sr., Esquire, and the newly appointed Secretary\Treasurer, Stephen Bosch, Esquire, participated in the Fall, 1988 Regional Conference on Lawyer Competency of the American Bar Association, held in Philadelphia. Chief Justice Robert N. C. Nix, Jr., was a panelist at the Conference.

The ever-increasing number of applications for admission received by the board has required it to update the manner in which applications are processed by taking advantage of advancements in microcomputer technology. The board purchased additional computers in August 1988 which have been networked with the equipment previously owned, and a new program has been designed to provide more efficient file control. These improvements will enable the board to receive and process applications to sit for examinations on a year-round basis, rather than only during the months immediately preceding each exam. In this fashion, the income from application fees will be spread more equally during the year and the personnel resources of the staff will be less strained during the weeks preceding the exams.

In August 1988, the board recommended to the Supreme Court that it consider the feasibility of instituting a license for Foreign Legal Consultants. Such a license would permit lawyers who are admitted to practice in foreign nations to give legal advice in Pennsylvania only on the law of the foreign jurisdiction in which they are admitted. The Board was asked by the International Law Committee of the Philadelphia Bar Association to create such a license in response to the increasing need to provide the citizens of this Commonwealth with advice involving matters of international concern. This matter is now pending before the Court.

At a meeting on December 6, 1988, the board voted to increase the fees charged for certain applications and also increased the amount of the late charges for untimely applications. The basic application fee for permission to sit for a bar examination was raised from $150 to $175. The fee charged to retake an exam after having failed was raised from $50 to $100. The late fee charged for applications received after the first filing deadline was raised from $50 to $75 and the late fee charged for applications received after the second filing deadline was raised from $100 to $150. The board eliminated the $25 fee to transfer M.B.E. scores to other states. While the application fee for admission on motion remains $500, the board voted to eliminate refunding $200 to unsuccessful applicants.

While the board endeavors to keep the cost of bar admission applications as reasonable as possible, certain costs beyond its control will require an increase in application fees. For example, the board has been notified by the National Conference of Bar Examiners, which develops and grades the multistate bar examination, that its fee per exam will increase effective with the February 1991 exam and that it will then eliminate the discount which jurisdictions like Pennsylvania receive because of the volume of examinees who take the exams. The board is planning how best to prepare for these, and other, increased costs.

The board administers the Pennsylvania Client Security Fund, which was established by the Supreme Court in 1982 to reimburse clients up to $25,000 for money and\or property which had been stolen from them by their attorneys. To finance the program, each attorney licensed to practice law in Pennsylvania was assessed $40 in 1987 and $50 in 1988. The Supreme Court ordered that these limits be changed. Effective July 1, 1988, the $25,000 ceiling payment on individual claims was raised to $50,000 and the annual attorney registration fee was lowered to $20.

The board acted on cases in 1987 and 1988 with the following results:

	No.		1987
Awarded	59	=	$ 416,006
Rejected	28	=	$ 286,462
Discontinued	11	=	$ 390,388
Pending at Year End	24	=	$ 260,157

	No.		1988
Awarded	56	=	$ 599,110
Rejected	33	=	$3,166,264
Discontinued	7	=	$ 100,257
Pending at Year End	64	=	$1,720,709

The administrative costs of the board were fully covered by investment income from the Fund and the reimbursements paid by some defalcating attorneys.

The cumulative total of claims paid from mid-1982 through 1988 for all years amounts to $3,535,475. This fund was used to pay a total of 546 claimants. During the same period of time, 185 of the 331 lawyers accused of theft or conversions were exonerated of any wrongdoing.

The financial records of the Pennsylvania Client Security Funds are audited at the end of the March 31 fiscal year by the auditing firm of KPMG Peat Marwick. The board had $5,722,570.12 in assets at the end of calendar year 1987 , and $6,316,114.69 at the end of calendar year 1988.

In both 1987 and 1988, the Pennsylvania Client Security Fund Board continued with its efforts to bring the existence of the Fund to the attention of all possible claimants. In this regard, brochures were distributed throughout the Commonwealth.

During 1987 the members of the Supreme Court Orphans' Court Rules Committee conducted meetings in Scranton, Philadelphia, and State College. In 1988, the Committee met in Philadelphia.

The following matters were considered by the committee:

1) Repeal of Rule 6.12.
2) Involuntary termination of parental rights.
3) Adoption rules.
4) Abortion rules.
5) Effect of disciplinary rules on incapacitated or deceased lawyers.
6) Equity venue Rule 1503(d).
7) Risk distributions of estates and trusts.
8) Periodic audit and accounting of lawyers' estate files.
9) Renumbering the rules.

A proposed Rule 5.6 was developed in 1987. This rule would require notice to those having beneficial interest in estates and trusts. This rule was developed in response to concerns relating to Rule 6.12. An amended Rule 6.12 was developed. The amended rule is to be designated a closure or termination of estates rule. Both rules are ready for proper submission to the Supreme Court.

Rules concerning involuntary terminations were discussed and proposed in cooperation with the Domestic Relations Committee. The same is true with reference to the equity venue rule and the Civil Rules Committee.

A subcommittee has been appointed to review and propose amendments to the adoption rules. The subcommittee is ready with their report.

The Orphans' Court Rules Committee meets periodically to amend, if necessary, rules relating to accounting, incapacitated lawyers, distributions, and abortion.

COURT FINANCES - Fiscal Years 1987-88, 1988-89

Funding for the Unified Judicial System derives from both state and county appropriations. The state pays the salaries for all judicial officers as well as the personnel and operating costs of the entire appellate court system, including the Committees and Boards of the Supreme Court and the Administrative Office of Pennsylvania Courts. Table I provides a breakdown of state-funded expenditures for fiscal years 1987-88 and 1988-89. Of the total state government expenditures for fiscal year 1988-89, administrative costs for the Judiciary accounted for approximately one-half of one percent. Figure A shows the distribution of expenditures across the three branches of government.

The Commonwealth also provides reimbursement to the counties for costs incurred in support of the trial courts of limited jurisdiction. Specifically, payments are made to reimburse counties for a percentage of juror costs incurred beyond the third day of service in a trial or grand jury proceeding. In addition, counties are reimbursed for personnel and operating costs associated with the administration of the district justice offices. Reimbursement is based on a flat rate established by the General Assembly for each authorized district justice position. During FY 1987-88 and FY 1988-89 the flat rate was $25,000 and $30,000, respectively, per district justice position. Finally, the counties are reimbursed for the personnel and administration of the Courts of Common Pleas. Like the district justice reimbursement grant, payments to the counties are based on a flat rate per common pleas position; however, the General Assembly also requires that counties spend an amount at least equal to the flat rate, per judge, which was $70,000 during both fiscal years. Table II identifies the amount of reimbursement provided to each county, by grant program, for fiscal years 1987-88 and 1988-89. One exception to the current funding pattern is the Pittsburgh Magistrates Court, where all costs are borne by the City of Pittsburgh.

The Unified Judicial System is a source of considerable revenue to local and state government. For example, fees collected by the appellate courts, the Minor Judiciary Education Board and the State Board of Law Examiners, are listed in Table III. Appropriated by the General Assembly, these fees are used to support state-funded court operations.

Although exact figures are not available, the court system raises millions of dollars in revenue for local municipalities. Depending on the police department (local or state) from which a citation is issued, a portion of the fines collected for traffic violations under the vehicle code, violations of local ordinances, and certain violations of summary offenses, among others, are disbursed to local political subdivisions after adjudication within the Unified Judicial System.

The counties are also a recipient of

court collected fines, fees, and costs. Fees are generated in connection with the commencement of actions, the filing of liens, appeals and accounts, etc. On an annual basis, the collections amount to tens of millions of dollars. The monies are collected by courts at all levels of the system.

Finally, a portion of the revenues collected by the courts is earmarked for the state. Some of these funds are program specific - e.g. Pennsylvania's Emergency Medical Fund and the Crime Victims' Compensation Board. Other state-designated revenues are used, through Act 64 of 1987, to provide funding for the Statewide Judicial Computer System. Also, other monies collected, such as motor vehicle fines, revert to the state general fund.

"COMMON PLEAS CRIMINAL CASE"	A misdemeanor or felony case held for common pleas court after a preliminary hearing, or a transfer from juvenile court.
"DISPOSITION"	For purpose of the Criminal Report, dispositions at each level of court are defined as follows: (1) a case is considered disposed at the district justice level when an adjudication occurs, the case is forwarded to common pleas court, or the case becomes inactive; (2) a case is considered disposed at the common pleas level when the judge accepts a guilty plea, renders a verdict, the jury returns a verdict, or the case is otherwise adjudicated. A common pleas disposition is counted at the time of adjudication and not at the time of sentencing.
"FELONY"	A statutory class of crime generally more serious than a misdemeanor. For purposes of the Criminal Report and District Justice Report, this includes murder of the first degree.
"FILING"	A record of the court. The initiation of a criminal matter at the district justice or common pleas court.

"FUGITIVE FROM JUSTICE"	A defendant who evades the jurisdiction of the court where the alleged crime was committed.

"NOLLE PROSEQUI"	A formal notice upon the record and accepted by the court that the prosecution will not further proceed with the case.
"PENDING CASE" (Common Pleas)	An active criminal case at the common pleas level which has not been adjudicated.
"PENDING CASE" (District Justice)	An open criminal case at the district justice level that has not been adjudicated or forwarded to common pleas court.
"PRELIMINARY HEARING"	Hearing by a judicial officer to determine whether a person charged with a crime should be held for court.

"DISPOSITION"	(1) Of an arbitration case: an award to a litigant in a civil action by a Board of Arbitrators following an evidentiary hearing; (2) of a trial-ready case: a verdict reached by a judge or a jury; a settlement reached by the litigants; the case is stricken from the trial list; or other action which resolved the issues of the case.
"DOCKETED CASE"	A civil action or an action in equity which has been filed in the prothonotary's office and which is intended to be litigated. The case is not yet trial-ready.
"EQUITY"	An action of complaint whereby the plaintiff generally seeks equitable relief (e.g., specific performance, injunctions).
"FILING"	A record of the court. For a docketed case, a filing is counted when the civil action or action in equity is filed in the prothonotary's office. For a trial-ready case, a filing is counted when a civil action, equity, or "other" case is determined to be trial-ready.
"OTHER DISPOSITION"	The disposition of a trial-ready case by transfer to arbitration, transfer to inactive status, or other means not specified on the Civil Report.

EST., ESTIMATE	An estimate utilized when an accurate physical count is unavailable. Estimates are based upon available documentation and/or statistical relationships.
REVISED	Indicates that the number of cases reported pending as of 1/1/88 has been revised from the number reported pending as of 12/31/87, published in the *1987 CASELOAD STATISTICS OF THE UNIFIED JUDICIAL SYSTEM OF PENNSYLVANIA*.

COMMON PLEAS CRIMINAL

AGE OF PENDING CASES	A breakdown of active criminal caseload by the interval of time elapsed from the date the case is filed in the clerk of court's office to the end of the year (12/31/88). Note that age as defined here does not include lower court time elapsed from complaint or arrest until filing at the common pleas level.
ARD (Accelerated Rehabilitative Disposition)	A disposition classification for cases in which the defendant is accepted into a state or county ARD program, which is a pre-trial diversionary program similar to probation. Upon successful completion of all conditions of the program, the defendant may petition the court to dismiss the charges against him.
CASE (Common Pleas Criminal)	A **MISDEMEANOR** or **FELONY** case held for or waived to common pleas court after a **PRELIMINARY HEARING**, waiver of a preliminary hearing or a transfer from juvenile court. The unit of count is the individually numbered docket transcript (OTN). Cases are counted as *NEW CASES RECEIVED* at the date of filing in the clerk of court's office. *CASES REOPENED* refers to the number of cases previously counted as disposed which have been reactivated at the common pleas level, such as those involving fugitives returned. *CASES PENDING* refers to the number of active cases at the common pleas level which have not been adjudicated. *CASES DISPOSED* refers to the number of terminations of cases pending at the common pleas level; counted when the judge accepts a guilty plea, renders a verdict, the jury returns a verdict, or the case is otherwise adjudicated, transferred out of common pleas criminal court, or placed in inactive status. A common pleas disposition is counted at the time of

adjudication and not at the time of sentencing. *CASES AWAITING SENTENCE* refers to those cases in which a guilty verdict has been rendered or guilty plea accepted, but for which the penalty has not yet been imposed upon the accused.

DISMISSALS, NOL PROS, ETC. FELONY	A statutory class of crime generally more serious than a misdemeanor. For reporting purposes, murder of the first degree is counted with felonies.
GUILTY PLEA	A disposition classification for cases in which the defendant admits having committed an offense for which he is charged, or admits to a lesser felony, misdemeanor or summary offense.

GLOSSARY

COMMON PLEAS AND DISTRICT JUSTICE COURTS

EST., ESTIMATE	An estimate utilized when an accurate physical count is unavailable. Estimates are based upon available documentation and/or statistical relationships.
REVISED	Indicates that the number of cases reported pending as of 1/1/89 has been revised from the number reported pending as of 12/31/88, published in the *1988 CASELOAD STATISTICS OF THE UNIFIED JUDICIAL SYSTEM OF PENNSYLVANIA.*

COMMON PLEAS CRIMINAL

AGE OF PENDING CASES	A breakdown of active criminal caseload by the interval of time elapsed from the date the case is filed in the clerk of court's office to the end of the year (12/31/89). Note that age as defined here does not include lower court time elapsed from complaint or arrest until filing at the common pleas level.
ARD (Accelerated Rehabilitative Disposition)	A disposition classification for cases in which the defendant is accepted into a state or county ARD program, which is a pre-trial diversionary program similar to probation. Upon successful completion of all conditions of the program, the defendant may petition the court to dismiss the charges against him.
CASE (Common Pleas Criminal)	A **MISDEMEANOR** or **FELONY** case held for or waived to common pleas court after a **PRELIMINARY HEARING**, waiver of a preliminary hearing or a transfer from juvenile court. The unit of count is the individually numbered docket transcript (OTN). Cases are counted as *NEW CASES RECEIVED* at the date of filing in the clerk of court's office. *CASES REOPENED* refers to the number of cases previously counted as disposed which have been reactivated at the common pleas level, such as those involving fugitives returned. *CASES PENDING* refers to the number of active cases at the common pleas level which have not been adjudicated. *CASES DISPOSED* refers to the number of terminations of cases pending at the common pleas level; counted when the judge accepts a guilty plea, renders a verdict, the jury returns a verdict, or the case is otherwise adjudicated, transferred out of common pleas criminal court, or placed in inactive status. A common pleas disposition is counted at the time of adjudication and not at the time of sentencing. *CASES AWAITING SENTENCE* refers to those cases in which a guilty verdict has been rendered or guilty plea accepted, but for which the penalty has not yet been imposed upon the accused.

DISMISSALS, NOL PROS, ETC.	A disposition classification for cases in which: 1) (DISMISSAL) the jurisdiction of the court is terminated by the court, or 2) (NOL PROS, NOLLE PROSEQUI) a formal notice upon the record that the prosecution will not proceed with the case has been accepted by the court, or 3) a demurrer is sustained, the case is quashed, etc.
FELONY	A statutory class of crime generally more serious than a misdemeanor. For reporting purposes, murder of the first degree is counted with felonies.
GUILTY PLEA	A disposition classification for cases in which the defendant admits having committed an offense for which he is charged, or admits to a lesser felony, misdemeanor or summary offense.
INACTIVE CASE	A disposition classification for cases in which the defendant has been unavailable for court processing for a minimum of 45 days; including defendants declared fugitive, those in the military, those in the custody of another jurisdiction, etc.
JURY TRIAL	A disposition classification for cases adjudicated following verdict of a jury.
MISDEMEANOR	A statutory class of crime generally more serious than a summary offense and less serious than a **FELONY**. The maximum term of imprisonment for a misdemeanor may not exceed five years. For a summary offense, the maximum term of imprisonment may not exceed 90 days.
NEW CASES RECEIVED	See **CASE**.
NON-JURY TRIAL	A disposition classification for cases adjudicated by verdict of a judge.
OTHER DISPOSED	A disposition classification for cases terminated by means that cannot accurately be classified in the other dispositional categories; including transfers to juvenile court, cases abated by death of defendant, etc.
PRELIMINARY HEARING	Hearing by a judicial officer to determine whether a person charged with a crime should be held for trial in common pleas court.
RULE 1100	A disposition classification for cases dismissed under Pennsylvania Rule of Criminal Procedure 1100 (Prompt Trial).

COMMON PLEAS CIVIL

AGE OF PENDING TRIAL-READY CASES	A breakdown of trial-ready caseload by the interval of time elapsed from the date the case is certified or **PRAECIPED** for trial or otherwise determined to be **TRIAL-READY** to year-end (12/31/89).
ARBITRATED CASES	A classification for those **CASES DOCKETED** which are **CIVIL ACTIONS** disposed by a Board of Arbitrators following an evidentiary hearing. Note that these cases are counted at disposition, not at referral to arbitration. *ARB. LIMIT* refers to the maximum jurisdictional monetary amount set by each county, within statutory limits, for compulsory referral to arbitration.
ARBITRATION APPEAL	A classification for those civil cases appealed de novo from an arbitration award; counted when the case is determined to be **TRIAL-READY.**
CASES DOCKETED	The number of **CIVIL ACTIONS** or actions in **EQUITY** which have been filed in the prothonotary's office and which are intended to be litigated. At this initial point, cases are not yet **TRIAL-READY.**
CASES PENDING	The number of civil **TRIAL-READY CASES** which are not yet disposed.
CIVIL ACTION	A category of civil cases in which an action is brought to enforce, redress or protect private rights. It is an action heretofore asserted in assumpsit or trespass (See Rule of Civil Procedure 1001).
DISPOSITION	(1) Of an arbitration case: the decision by a Board of Arbitrators following an evidentiary hearing; (2) Of a **TRIAL-READY CASE:** termination of the case by a verdict reached by a judge or a jury, a settlement reached by the litigants, the striking of the case from the trial-ready list, or other action which resolves the issues of the case.
EQUITY	A category of civil cases in which an action is brought whereby the plaintiff generally seeks equitable relief (e.g., specific performance, injunctions).
JURY TRIAL	A disposition classification for **TRIAL-READY CASES** resolved following verdict of a jury.
NEW CASES FILED	The number of cases in which counsel has indicated to the court during the year that the case is ready to go to trial; or, for those counties which do not certify or praecipe for trial or for pre-trial, the number of cases placed on the trial list during the year.

NON-JURY TRIAL	A disposition classification for **TRIAL-READY CASES** resolved following verdict of a judge.
OTHER (CIVIL CASE)	A residual category of civil cases which are neither **CIVIL ACTIONS** nor **EQUITY** cases. This classification includes mandamus, replevin, mortgage foreclosure, paternity, etc; but does not include support, custody, visitation, or divorce cases, which are included in the Family Court section.
OTHER (DISPOSITION)	A disposition classification for **TRIAL-READY CASES** by transfer to arbitration, transfer to inactive status, or other means that cannot accurately be classified under the other dispositional categories.
PRAECIPE FOR TRIAL	A form indicating to the prothonotary that a civil case should be placed on a trial list. See **NEW CASES FILED, TRIAL-READY CASE**.
RESTORED CASES	A category of civil cases which have been restored (re-certified or re-praeciped) to a trial list after having been **STRICKEN** from the list.
SETTLEMENTS	A disposition classification for **TRIAL-READY CASES** in which the litigants in the dispute come to an agreement over the issues at stake.
STRICKEN	A disposition classification for cases removed from the trial-ready list.
TRIAL-READY CASE	A **CIVIL ACTION, EQUITY**, or **OTHER** civil case which is certified or praeciped for trial or for pre-trial; or, for those counties which do not certify or praecipe, a **CIVIL ACTION, EQUITY**, or **OTHER** civil case which has been placed on the trial list.

FAMILY COURT

AFDC	A classification of **SUPPORT** cases for those cases in which a wage earner is absent from the home and the children are recipients of public welfare in the category of Aid to Families with Dependent Children (AFDC).
CASES FILED	The number of cases initiated during the year. See **SUPPORT, CUSTODY/PARTIALCUSTODY/VISITATION,DIVORCE,DEPENDENCY,** and **DELINQUENCY** for definition of **CASE FILED** by category.
CASES PROCESSED	The number of cases adjudicated during the year. Cases adjudicated following a conference or hearing before a conference officer, hearing officer, or master are counted as processed by a **NON-JUDICIAL OFFICER.** Cases heard before a judge are counted as processed by a **JUDGE.** Cases processed by **OTHER** means include cases settled or withdrawn before a conference or hearing is held. See **SUPPORT, CUSTODY/PARTIALCUSTODY/VISITATION,DIVORCE,DEPENDENCY,** and **DELINQUENCY** for definition of **CASES PROCESSED** by category.
CUSTODY/PARTIAL CUSTODY/VISITATION	A category of cases which are legal proceedings to determine the right: 1) **(CUSTODY)** to keep, control, guard, care for and preserve a child; 2) **(PARTIAL CUSTODY)** to take possession of a child from the custodial person for a specified length of time; 3) **(VISITATION)** to visit a child, without the right to remove a child from the custodial person's control. **CASES FILED** are counted when a complaint or petition to modify an existing order is filed. **CASES PROCESSED** are counted when a final order (or equivalent) has been issued adjudicating the complaint or petition.
DELINQUENCY	A type of juvenile case which involves an act by an individual under the age of 18 which has been designated as a crime under Pennsylvania law or under local ordinances. (See 42 PA C.S.A. § 6302 for a more extensive definition of "delinquency.") **CASES FILED** are counted at referral to a juvenile intake officer. **CASES PROCESSED** are counted when the juvenile intake officer informally adjusts the case, or when a master or judge adjudicates the case after the filing of a petition by the juvenile intake officer.
